

Parish Council of The Yealands

Minutes

Present: Cllr Dawn Hancock, Cllr Geraldine Moore, DCllr Alan Greenwell, Cllr Joanne Wheeler, Cllr Roger Dent, Cllr Anne Prescott, Shirley Dearden, David Wolfenden-Riley, Clerk Rebecca Oaks

113. To accept apologies.

Cllr Sue Tyldesley, Cllr Lucy Arthurs

114. To appoint a Vice chair for the PC

Proposed by Cllr Hancock – Cllr Roger Dent, seconded by Cllr Wheeler. **Agreed** Cllr Dent appointed.

115. To confirm minutes of previous meeting and sign them

Agreed

116. To receive reports of the County Councillor and City Councillors

The Councillors expressed their appreciation for our previous County Councillor Phillippa Williamson, she was always so efficient and actioned issues promptly.

Action Clerk to send a personal invitation to Cllr Graham Dalton to the September meeting.

Cllr Greenwell - The district council have been recognised for being very active in addressing climate change.

Unitary councils are coming in a few years, probably 4 in total and Chief Ex Mark Davy and other Councillors are meeting county wide to shape this process. Proposals are to be submitted by November this year.

Some consultation proposed over this summer. When the government decide their favoured way forward, then a wider consultation proposed.

County Council are pressing for a referendum on devolution and or a mayoral post.

In Cumbria the two unitary authorities seem to work rather well as there is less confusion with what is County and what is District.

Important though that the rural voice is not overshadowed by urban concerns.

Cllr Sue Tyldesley - The City Council has to introduce weekly food recycling as from April 2026. This is mandated by Government. This should reduce the amount of waste in grey bins and a wider change to try to increase recycling rates is also needed. The intention is that boxes (which are old, have lids that blow off, which harm residents and operators backs) will be replaced by a wheelie bin for paper and one for other recyclables and all 3 bins will be collected 3 weekly. There will be one wheelie bin plus food waste collected each week.

Clearly there will be questions and this model will not fit all circumstances- as indeed the current model doesn't- and there will need to be some special arrangements. A wider education campaign and opportunity for questions and comment will be forthcoming. In the meantime please let me have any concerns and I will ensure they are passed to the right place.

What is the cost of all these changes?

Action Cllr Greenwell to find out some costs

117. To adjourn the meeting to allow public participation

YOGA refurbishment - David W-R - Chaplows/Metcalf are a good company. Their specifications say plane round the edges, would it be better to take the 30mm across the area? We need to see the data sheet. **Action** Clerk to set up a meeting with Phil Chaplow to include David W-R, Mark Robinson, Judith Riley and anyone else interested. Also to discuss the insurance backed warrantee and flooding issues.

Planning issues Shirley has strong concerns about the planning application 25/00486/FUL They will lose their light if it goes ahead. Does Shirley have a right to light, named in her deeds?

The NL have objected on the basis that it is not in keeping with the Conservation Area.

Where is the statutory notice for the planning consultation that is supposed to be posted locally?

Action Cllr Greenwell offers to follow up with the planning officer concerned, as he is on the planning committee.

118. To receive declarations of interest; to include personal and personal and prejudicial interests.

None

119. To ratify the changes to the AGAR forms in particular the Accounting statement page 6.

Agreed to ratify the changes to the AGAR form

Action Clerk to send round the assets list.

120. To consider planning applications and consultations:
