

The Yealands

News for Conyers, Redmayne and Storrs October 2022

Community Allotments

You have to go back to March last year, since this idea was last reported in YN, but it has not gone away. You may be aware that one of our local land owners, has agreed to allow one of their fields, to be used for the setting up, of a number of community allotments. These will be at a 'peppercorn' rent to the tenants. The land is situated in Cinderbarrow Lane in Yealand Redmayne. The project will be managed, as an outreach project, by the Yealand Village Hall Committee, with the support of The National Allotment Society. There will initially be six allotments with the possibility of adding two more in the future. If you are interested in 'taking on', one of the allotments, please contact Mike Wilson (Chairman) on 07718 495367.

A6 Road Closures

It's outside our boundaries, but will probably affect everyone, yet has been poorly advertised. For many weeks we have had temporary traffic lights on the A6 N of Carnforth causing delays to local journeys, but with little publicity, the road is now completely closed until October 7th either side of the railway bridge just North of the site entrance for Aldi and Booths. In addition, the traffic lights in the centre of Carnforth will be on 4 way manual control at the same time. Warton's main street looks set to be even slower to navigate.

Apple Day Yealand Quakers

On October 26 we will have at the Quaker MH the juicer and hydropress hired from the S Lakeland Orchard Group, available from about 10.00 until we run out of apples. Contributions towards the hire cost welcome. Bring your own containers for the juice.

At the Village Hall

A criminal cabaret tribute murder mystery.
Saturday evening 15th Oct. 7.30 - 10.30 - Doors open 7pm . Tickets £15 pp to include hot supper and dessert - bring your own glasses and drinks
Tickets available from Gerry or Kath
07769335107 or 07961866389
Future event - Yealand Christmas Quiz on Friday 16th December - more details to follow .

New Councillor for Warton and Conyers

Sue Tyldesley was elected with nearly 2/3 of the total vote as the new councillor on Lancaster City Council following a by-election. Sue writes 'I am delighted to have been elected as the new Ward councillor for Yealand Conyers and Warton. Thank you for your overwhelming support. You will shortly get a ward Green View newsletter and I will try to keep you informed in future months. Do contact me with any queries.

Sue Tyldesley. - STyldesley@lancaster.gov.uk

Parish Councils

Just a reminder that we still have some lovely Queens Jubilee mugs for sale. They are quality mugs and only £3 now. All proceeds to the play park refurbishment. Pick one up at Coffee Stop on a Monday 10.30 to 11.30

The Jubilee orchard project is alive and kicking, do drop me a line if this is something you would like to participate in - a free/cutprice fruit tree to plant in your garden to provide a food source for us and for wildlife.

Electric car charging points for the village hall, please could you let me have your thoughts on this. If you think you might use it or you know people who would visit the area if this facility was available, then do let me know. This kind of evidence is important for funding bids.

Walkers, residents and responsible dog owners are getting fed up with the amount of dog poo about. Even if it seems as if it's a 'wild' spot it is really important that dog poo is picked up as it has environmental, health and happiness impact, on all that come into contact with it. **Please pick up after your dog!**

The District Council Elections Officer Lisa Vines attended the last parish council meeting and set out the time scale for the proposed merger. She will be sending out a document to everyone for consultation in the next few weeks and depending on the outcome of that, the proposal will go to the full council for a decision in January. This is too late for the merger to be completed in 2023 so the start date of a merged parish council would be April 2024.
