

The Yealands

News for Conyers, Redmayne and Storrs November 2023

Yealand Conyers and Redmayne PCs
There is still (just) time to order some fruit trees through the Orchard Project, funded by the AONB partnership and the Landscape Trust. The deadline has been extended to the end of October so do consider if you can fit a tree in somewhere to benefit pollinators and provide a source of delicious fruit. Contact the clerk yealredmayneclerk@outlook.com

We had a lovely afternoon planting bulbs and plug plants from the AONB into the wide verge at Storrs and a separate afternoon on the Meadows Wildflower Orchard. Both occasions well attended by parishioners and fuelled by delicious cake. Thanks to all who came to help.

Fruit tree pruning day with Dick Palmer Sat 2nd December' all welcome, but let Rebecca know if you are coming please

Yealand Village Hall

Electric car charging

Just installed, but not live at the time at the time YN was ready for circulation is an electric car charging point on the end wall of the village hall provided by the local firm chargemystreet. Please don't park in this space unless you are using the connection.

This seems to be a 7kW type, most likely to be useful to non local users of the village hall, or those just out on a local walk. But it might also be useful if you have a friend or relative visiting with an electric car, but you don't have one at your home. Remarkably there are as yet no public charging points in Silverdale or Warton, and only

1 in Arnside. Well done to the Hall Committee for their forward looking action.

Seemingly the problems caused by water ingress while the solar panels were off the roof was not too serious. However, they were taken off in the first place, because the roof leaked!
Arnside Silverdale AONB

Organised by the local Landscape Trust, 'the geological story of the AONB area' a talk by Anna Wetherell Nov 9 at 7pm, at Silverdale Gaskell Hall

Hedgelaying training, 18 Nov, 0900 at Coldwell meadow, booking essential contact Dougie at the AONB. Be prepared to get scratched!

Unconnected with this, the professional hedgelaying work on the road between the school and Redmayne opens up the views nicely, as well as helping vehicles pass, and we look forward to seeing it as it regrows.

Friends of Warton Crag, Nov 12 at 0930, volunteering work with the warden Belinda Barclay. Meet at the car park on Crag Road. Further details from Belinda on 07946 033650

Monthly litter pick, Nov 9, 10.00 to 12.00 sites vary each month. Contact Dougie at the AONB

Mourholme History Society

Next meeting, November 29th, 7.30pm at the village hall, The History of the Port of Lancaster Commission a talk by Elsabe White

Lancaster had been a port since Roman times. Due to the ever-changing nature of the navigable channel to Lancaster, a group of Lancaster merchants and ship owners approached Parliament, leading to an Act for Improving of the Navigation of the River Loyne, otherwise called Lune and for building a quay or wharf near the Town of Lancaster. This Act was passed in 1750.

Village School

No appointment of a permanent new head has yet been made, but Mrs Kathryn Brown will be taking up the position of Acting Head from Jan 1
