News for Conyers, Redmayne and Storrs November 2024

Yealand Parish Council

Your Parish Council needs you!

Following last month's successful appeal, we have had a few people step forward for the PC, to whom we are immensely grateful. This does bring up the option of going for an official election and for this to happen 10 people from each Ward (Conyers/Redmayne) would need to sign a petition.

I have put copies up on the notice boards. If we don't get a demand for an election, we will go for co-option and this will be explained at the next PC meeting on the 12th Nov. Do come along if you want to be included in this process. Thanks. clerk@theyealandspc.org.uk

Village Hall

Thanks to those who organised the event with Coastline playing, what seemed like a sellout, and lots of people up dancing. At the end of November we have on the 30th what is described as a pop up pub, with fish and chips
