St Marys RC Church

As usual at this time of year, the 3 churches in Yealand come together for an ecumenical service, this year at St Marys. All are invited to this event ecumenical service on Sunday 13th October at 3.00. pm. This will be followed with an opportunity to meet together for refreshments in the Church Hall. We look forward to seeing you on that date. .

Yealand Quakers

Apple Day Oct 17th Oct from 10.00 until we run out of apples (usually mid afternoon). We will have the apple chopping machine and juice extractor, hired from the S Lakeland Orchard group. Bring your own apples, and containers for the juice. A contribution towards the hire cost is requested.

Transport Survey

Silverdale Parish Council are organising a local transport survey , and since we share the same bus service, anything Yealand might say is relevant also to Silverdale. A particular irritation to your editor is the lack of links across the boundary to the W&F council area. So, there is no bus service to Arnside, and to get to Milnthorpe you have to go via Carnforth as the 755 won't stop on the A6. Our new MP has a constituency which crosses the Lancs county boundary, so perhaps we can at least open up the issues. For full details see last page.

Yealand C of E Primary School

It has been a busy start to the New Year welcoming lots of new children and families into school.

Already we have restarted forest school, had two wonderful days out at the Westmorland County Show as well as enjoying a welcome service at St. John's Church.

In school, the focus for Robin Class this half term is Family Life. During this theme, they have been interviewing a range of people to ask them about their family life and loved ones. We are really looking forward to hearing all about Suzie Reynold's family when she comes to meet the children in a few weeks time. We are also asking people if they have any unusual household objects which we could explore and think about what they were used for- imagine the curiosity of a young person looking at a walkman? (If you have an item, you think the children would enjoy- then please get in touch- we promise we will take care of it.)

There has been some BIG thinking going in Swallow Class with their theme 'Reduce, Reuse, Recycle' and ways in which small acts get make mighty waves of difference to our locality and on a global scale too. They are enjoying repurposing items, designing and making their own bags and learning a hip hop rap about plastic too.

Each half term the children gather together to complete a challenge with their Butterfly team. We celebrated 'National Coding Week' with a quiz where all the points were joined together to find out the ultimate winners. We have some amazing coders in school, who have an amazing understanding of the language computing. Yellow Cleopatra team were the ultimate winners this time.

We are looking forward to celebrating the changing seasons of the next few weeks with the changing colours and the welcomed return of the murmurations just after school. We are very lucky to learn in such a wonderful place.

If you would like any further information about school, then please do not hesitate to get in touch head@yealand.lancs.sch.uk 01524781360
Warmest wishes Kathryn Brown

SILVERDALE TRANSPORT SURVEY

A major survey has been launched to assess the travel needs and habits of people living and working in Silverdale.

Funded by the Government, the TAS Partnership is organising the survey, which will form part of a 'Silverdale Sustainable Transport Study' and delivered to Silverdale Parish Council by December. At this stage the Parish Council is exploring a wide range of ideas around sustainable travel in Silverdale and **NO** plans will be developed until the consultation process has been concluded.

To complete the online survey, go to:
<https://www.surveymonkey.com/r/RPPMXF2>
or scan the QR code into your mobile phone.
Paper copies are available from the Co-op.

ONE survey per person – but each member of your household can complete a separate questionnaire if they wish. If you are completing a paper copy of the survey, please return to the Co-op, 12 Emesgate Lane, Silverdale LA5 0RA and post in the box provided.

Scan me!

THE SURVEY CLOSSES ON THE 1ST NOVEMBER 2024 SO PLEASE SUBMIT YOUR ANSWERS, EITHER ONLINE OR VIA THE CO-OP, BY 10 PM ON THIS DATE.
